Address:

4850 Park Manor E, Shelby Township, shelby township

Price:

Check with seller

I have a 4 wheel rolling walker only used 2 wks. (recently had surgery) has a seat that lifts up for small storage.

Also a bedside commode or can be used right over existing toilet for a "raised seat" making it easier to sit if you have had surgery or any other handicap that restricts bending. NEVER used. \$40.00 for walker, \$40.00 commode or 75.00 for both.
